ADDITIONAL INFORMATION

Timeless Styling

It's surprising how much difference the right tapware makes. It's not just a complementary addition, it's a genuine finishing touch. A subtle, yet unmistakable enhancement that draws together all the elements in your kitchen and entertaining areas, to create a graceful and cohesive living space.

Hygienic quick cartridge changes

The valve-in-head design shuts the water off automatically means no mess, the cartridge can be easily replaced - just like changing a light globe. Enjoy water the way it should be, abundant, clear and beautiful tasting from your own water supply, any time of the day.

Longer filter life

Using the latest carbon briquette technology that gives up to 12 months filter life. It incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our **6 Year Platinum Protection Warranty**[^].
